### 3) Select “Course Tools”

### 4) Click “iTunes U”

5) You will be redirected to this page and then iTunes will open up with the iTunes U page.

### Redirect page:

The screenshot shows the Blackboard interface for Tacoma Community College. At the top, there is a navigation bar with the college logo and links for Home, Help, and Logout. Below this is a secondary navigation bar with tabs for My Blackboard, Courses, Organizations, Support, and Bb Tech Issues. The main content area is divided into two columns. The left column contains a tree view of course resources, including Cain's Master Course, Announcements, Staff Information, Course Information, Course Documents, Tutorials, Assignments, Quizzes, Discussion Boards, Tools, External Links, Other Stuff, Labs, Exams, Groups, Week 1, Week 2, and Course Reader. The right column displays the text "Enjoy your visit to iTunes U." Below the tree view, there are sections for Tools (Communication, Course Tools, Course Map) and a Refresh/Quick View section.

### iTunes U:

The screenshot shows the iTunes U interface within the iTunes application. The top of the window displays the iTunes menu bar and a search bar. The main content area is titled "iTunes U" and shows the Tacoma Community College logo and the text "Own Your Future". Below this is a banner image of students and a description of the iTunes U content. The interface is organized into sections for Students and Faculty and Staff. The Students section lists several courses with their respective track counts and last modified dates. The Faculty and Staff section lists Human Resources.
